

“Children in Crisis” 50% TAX CREDITS AVAILABLE
TO ELIGIBLE CASA SUPPORTERS/DONORS

How it Works:

1. Send a Gift Donation to  Missouri CASA Association
2. Feel Good.
3. The State of Missouri Reduces Your Taxes.
4. Feel Even Better.

It's true. Your support of CASA is so important; the State of Missouri will pay you for it. The more you give, the more tax credits you will receive.

It's better than a deduction: it's a credit that reduces the tax you owe. And don't forget the federal deduction, too, if you itemize. It's all money back in your pocket.**

Your Gift to CASA	Missouri's Gift Back to You (Tax Credit)
\$100*	\$50
\$250	\$125
\$500	\$250
\$1,000	\$500

* Minimum donation required (no maximum)

Why do they do it?

Because strong annual support from donors like you is vital to Missouri CASA Association, and it is important to the State.

But you already knew that. That's why it feels so good!

** Your tax advisor can provide the best advice for your tax situation.
